Fr. Ejaz - Pakistan Orphans & Poor Children's Fund.
Report & Financial Statement for the Year ended 31st March 2021.

The year - March 2020 - March 2021 - has been a strange & difficult year for everyone, - especially for our Christian Brethren in Faisalabad. Thanks to the efforts of Sahail, Sharma and the other volunteers, the Nazareth House Orphanage has survived. - The schools in Pakistan have been frequently closed, but the 50+ children in the orphanage have been kept safe, and even had some small amount of continued education, thanks to the efforts of volunteer tutors.

We have been unable to hold any Fund Raising events, in the last year, but thanks to the committed generosity of our regular supporters, and some extra special donations, we have been able to continue to assist in feeding clothing and generally supporting the children in the safety of the orphanage, as well as those who just come and sit on the door-step.

Meanwhile Fr. Ejaz is struggling tirelessly with the huge problems arising in his Parish and out-lying villages. He spends every waking hour ministering to his people, but now, in addition to the ongoing tragedies of desperate poverty, hunger and overcrowding, the Virus is spreading rapidly.- eg. when sometimes up to three generations of one family, live in a single room.

Father constantly visits the houses of the dying and the bereaved and also conducts many Funerals. - When he telephones, (usually weekly at least), We can hear the exhaustion and sadness in his voice.

Please pray for him and for his people every day. Fr Ejaz has enormous faith in Almighty God and he always asks for our spiritual support. - We will pray for him as surely he prays for us.

Once again, we extend our most sincere thanks for the faithful financial support which so many good people give to this ongoing Charity.

We give overleaf a brief statement of our Income and Outgoings for the Year ended 31st March 2021, and again say "Thank you" to every one involved.
